WHEEL WRITES is distributed weekly to all those attending the meeting of the Rotary Club of South San Francisco. Copies are emailed to members who do not attend.
 Editor/Publisher: Don Bowcutt

WHEEL WRITES

PUBLISHED WEEKLY BY THE ROTARY CLUB OF SOUTH SAN FRANCISCO

Is it the TRUTH?
 Is it FAIR to all concerned?
 Will it build GOODWILL and BETTER FRIENDSHIPS?
 Will it be BENEFICIAL to all concerned?

January 28, 2010
Corinne Goodrich, Manager,
Grand Boulevard Initiative

LAST WEEK

Don Bowcutt

RotaCare Clinics have been in existence since 1989 when the first homeless patient was treated in Santa Clara. The first clinic was established by a local Rotary Club. Since then, RotaCare has expanded to ten sites in the Bay Area.

This last Thursday, we had Jan Kamman, Department Manager Seton Medical Center for Community Outreach and Volunteer Services. Besides these duties, she is a volunteer manager for the RotaCare Clinic. She enthusiastically told us about the great work they do at this free clinic. It is a very interesting concept where by the clinic provides medical services one time free of charge. After treating the ailing patient, they then instruct and inform the patient how and where to go for further, continuing care.

The clinic is open every Monday evening (except holidays), 5:30 to 7 p.m. Seton Hospital provides space in the Radiation Oncology Dept. free of charge. In fact all of the facilities are available to the clinic to run lab tests and x-rays. Immunization clinics are offered every fourth Monday of the month. Translators are available.

The clinic has two paid Registered Nurses who organize and run the clinic. The keep things moving by setting up appointments and lining up the volunteer doctors and aides as required. They share a stipend of \$37,000 a year. That is the extent of their budget. All else is donated including drugs, x-rays, scans, shots and the doctors time as well nurses.

RotaCare is a nonprofit corporation formed for the purpose of providing free medical care to people who have the most need and the least access to medical services. It is a coalition of physicians, nurses, pharmacists, social workers, interpreters/translators and other volunteers who provide free medical care to the medically underserved in a collaborative effort with Rotary Clubs, hospitals, clinics, community and social service organizations and service groups.

Mrs. Kamman serves the San Mateo Community through volunteering as Red Cross Emergency Preparedness Presenter, Team Member with CERT, Commissioner, San Mateo County Commission on the Status of Women and other groups.

During one of my terms as President, we gave Rotacare \$1000 as a start up. I think we should visit this great cause again and maintain it as a annual. Do you remember when we ran immunization services for children at the Boys & Girls Club?

Contribute to the Haiti Earthquake Relief Fund

The Rotary Foundation has established the [Haiti Earthquake Relief Fund](#), a donor advised fund, to streamline the flow of contributions from U.S. Rotarians. The fund will be directed by account holders who will work with local Rotary clubs and districts, as well as emergency relief agencies, to meet the most pressing needs of people in affected areas.

Use your cell phone to make a [one-time US\\$5 donation](#). Text ROTARY to 90999.

Rotarians focus on Haiti relief

Rotary clubs and districts worldwide are mobilizing resources to deliver urgently needed relief to the millions affected by Haiti's devastating earthquake.

District 7020, which includes Haiti, has flown in 55 planes filled with more than 50,000 pounds of medical equipment and supplies into the cities of Pignon and Port-de-Paix to bypass logistical problems in the hard-hit capital of Port-au-Prince. The United Nations estimates that more than half of the buildings in the capital have collapsed. About 200,000 people are dead and millions more homeless.

"Rotary had an incredible infrastructure established before the quake, which has made our relief efforts very effective," says Dick McCombe, past district governor and Haiti liaison chair. "We're flying in supplies through backdoor channels and doing things a lot of agencies can't do."

The district's Haiti Task Force, set up two years ago to administer all financial aid to the nation, is working with local clubs to deliver aid to Port-au-Prince and those who have taken refuge in the countryside.

McCombe says Rotary was in a good position to help in Haiti, with 33 projects already underway to provide water, sanitation, medical care, and education.

"We changed from teaching children how to read to saving their lives," says McCombe.

Clubs in the district have raised hundreds of thousands of dollars for short- and long-term recovery. "Rotarians are incredibly generous and are doing what needs to be done," says McCombe. "We are setting aside some of these contributions for long-term recovery." Rotarian Claude Surena, head of the Haiti Task Force and president of the Haitian Medical Association, is sheltering more than 100 injured people in his damaged home in Port-au-Prince. His house has become a makeshift hospital and medical distribution center. Within the next two weeks, McCombe says, a barge will be hired to transport 20 to 30 tons of clothes, blankets, folding beds, and other items to Haiti from Nassau, Bahamas.

ShelterBox responds

ShelterBox has already delivered more than 3,300 containers to Haiti, with another 1,000 or more scheduled to be deployed
